

COVID-19 Office Notification Agreement

I understand the importance of tracking and containing the Corona Virus to keep our community safe and healthy. Currently, I am not diagnosed with COVID-19 or have related symptoms. In case I do develop COVID-19 or suspect symptoms within 2 months after my office visit, I will notify Eminent Eye Care by email, text or phone call within 24 hours.

Eminent Eye Care utilizes UV plus ozone sanitizer for overnight office disinfection. We will also reach out to patients who came in on the same day as suspected and/or confirmed COVID-19 patients as soon as we can.
